**Sr. No. 01**

**Title:** Central bank capitalism: monetary policy in times of crisis by Wullweber, Joscha

California Stanford University Press 2024

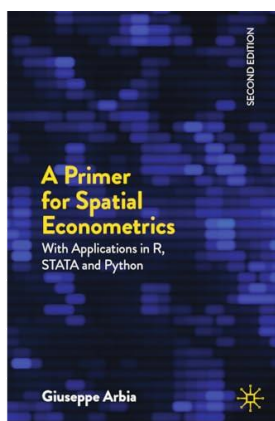

**Acc. No.** 008902

**Call No.** 332.11 WUL

**Summary:** This book offers a lucid account of our current state of permanent crisis with its new dilemmas and paradoxes that pose enormous challenges to financial and economic stability. As author shows, there has been a radical change in the state-market nexus. With governments refraining from strong and comprehensive fiscal and financial regulatory policies, central banks have become the main stabilizing force and the nodal point of financial circulation. These overburdened institutions are called on to make near-daily interventions to avert crisis. Wullweber calls this historic phase central bank capitalism.

**Sr. No. 02**

**Title:** A primer for spatial econometrics by Arbia, Giuseppe

Switzerland Palgrave Macmillan 2025

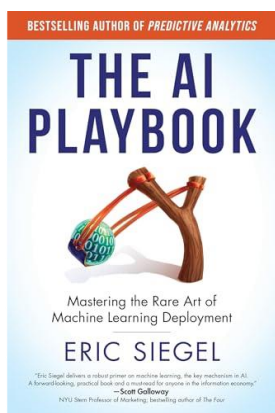

**Acc. No.** 008903

**Call No.** 330.015195 ARB

**Summary:** This book offers a practical and engaging introduction to spatial econometric modelling, detailing the key models, methodologies and tools required to successfully apply a spatial approach. This edition contains new methodological developments, new references and new software routines in R that have emerged since the first edition published in 2014. It also extends practical applications with the use of the software STATA and of the programming language Python.

**Sr. No. 03**

**Title:** The AI playbook: mastering the rare art of machine learning deployment by Siegel, Eric

Massachusetts The MIT Press Cambridge 2024

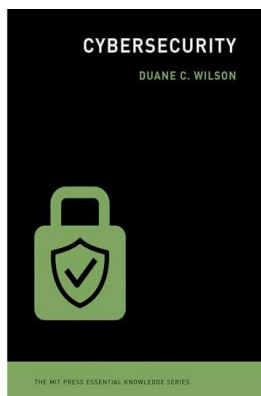

**Acc. No.** 008904

**Call No.** 658.0523 SIE

**Summary:** In The AI Playbook, bestselling author Eric Siegel presents the gold-standard, six-step practice for ushering machine learning projects from conception to deployment. He illustrates the practice with stories of success and of failure, including revealing case studies from UPS, FICO, and prominent dot-coms. This disciplined approach serves both sides: It empowers business professionals, and it establishes a sorely needed strategic framework for data professionals. This book also upskills business professionals—painlessly.

**Sr. No. 04**

**Title:** Cybersecurity by Wilson, Duane C

Massachusetts The MIT Press Cambridge 2021

**Acc. No.** 008905

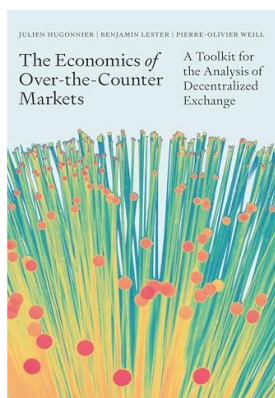

**Call No.** 005.8 WIL

**Summary:** In this book cybersecurity expert Duane Wilson offers an accessible guide to cybersecurity issues for everyday users, describing risks associated with internet use, modern methods of defense against cyber attacks, and general principles for safer internet use. This book reviews some online applications of cybersecurity, including end-to-end security protection, secure e-commerce transactions, smart devices with built-in protections, and blockchain technology. Finally, Wilson considers the future of cybersecurity, discussing the continuing evolution of cyber defenses as well as research that may alter the overall threat landscape.

**Sr. No. 05**

**Title:** The economics of over-the-counter markets: a toolkit for the analysis of decentralized exchange by Hugonnier, Julien

Oxford Princeton University Press 2025

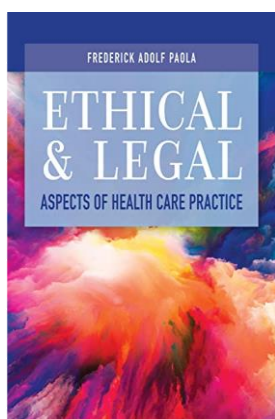

**Acc. No.** 008906

**Call No.** 332.6 HUG

**Summary:** The Economics of Over-the-Counter Markets proposes a unified search-theoretic framework designed to explicitly capture the key features of OTC markets, confront the growing set of stylized facts from these markets, and provide guidance for policies designed to promote liquidity and resiliency. This incisive book covers empirical regularities that are common across OTC markets, develops the methodological tools to analyze the benchmark theoretical models in the academic literature, and extends these models to confront the latest issues facing these markets.

**Sr. No. 09**

**Title:** Power of movies: how they shape our society by Sharma, Dheeraj

New Delhi Prabhat Prakashan 2025

**Acc. No.** G00683, G00684

**Call No.** 791.43 SHA

**Summary:** This book seeks to answer these important questions. The book also compares Bollywood and Hollywood movies, showing how the latter has created a yearning for the American way of life. Films influence public opinion and behaviour. If that weren't true, movies like Aandhi (1975), Kissa Kursi Ka (1977), and Black Friday (2005) wouldn't have faced bans. Cinema shapes society, and Bollywood must recognise its power and the responsibility that comes with it. Have you ever wondered why Bollywood movie songs and dialogues continue to be in Urdu? Why is the promiscuous woman often given a Christian name.
